Weight-related postal fees charged by the German Post for booking the subscription circulation are included in these prices. Technical Information and Delivery

Binding technical information, deadlines, samples, as well as delivery can be downloaded from www.adspecial-portal.de. An inquiry regarding the circulation can also be placed through the portal. In the event of any processing difficulties, the completion of the circulation takes precedence over the special ad format.

Print Service

On request, the special ad formats can be produced by the publisher. Prices on request.

The total prices also apply when booking the domestic circulation.
