

ALT INTERIOR

Denmark's strongest interior design magazine

Filled with inspiring housing reports from both Denmark and abroad, ALT INTERIOR is the perfect magazine for those who are into modern living and enjoy hearing about the most recent trends, colors and materials. The magazine contains housing guides, interviews, news and information on current trends, offering its readers lots of inspiration for their own homes. ALT INTERIOR is published together with ALT FOR DAMERNE as well as sold individually. ALT INTERIOR is targeted at women, who are interested in interior design / home decoration. The readers are primarily women between 35 and 59 years.
