ART

Europe's largest art magazine

Art has been Europe's most successful and best-selling art magazine for 40 years.

With international appeal, the premium brand **Art** is aimed at a high-consumption target group with style, lifestyle and class. **Art** readers focus on high quality in their consumption and they belong to the creative core of society. Editorial environments with high aesthetical standards combined with high paper- and print-quality put advertising campaigns in the best possible light.
