

RTL Tele Letzebuerg's "little sister" channel

Most of the time the programmes are the same as on RTL Tele Letzebuerg until 8pm, after which the repeat loop is different. The channel mainly broadcasts news programmes and programmes from its radio channels, as well as magazines, films and well-known animated series such as The Simpsons.

RTL ZWEE broadcasts sports events such as the UEFA Champions League. Its main targets are people responsible for purchasing over the age of 15.
