

IHRER ZEIT VORAUS: JEANNE D'ARC

In the podcast, host Lucile Gagnière tracks down the real Joan of Arc, talks to historians and travels to the sites of the events in France to find out what traces the young woman still leaves behind today. We get a direct connection to the person of Joan of Arc through the voices of Sky du Mont and Melanie Fouché, who let us participate in the process that led to Jeanne's death.
