

The only original magazine for men in Denmark

EUROMAN is an institution in the Danish world of magazines - and the strongest platform for marketing strategies when it comes to image and lifestyle for men. It is written for men who have a sense of quality - in all aspects of life. Euroman is published in print, online, social media, podcast and newsletters.

The readership are men between the ages of 25-49 years. Most readers are interested in interior design and participate in sports/exercises.
