Our profile

We love animals! But we love their offspring even more. They play a role in every animal story in GEOLINO MINI: how they open their eyes for the first time as clumsy balls of fur or spread their wings and leave their parents' nest or grow up for years in the family circle and test their strength against their peers. There is always something going on in the "kindergarten of animals"! That's why we want to dedicate an entire magazine to the little ones: The GEOLINO MINI supplementary edition "Animal Babies" takes young readers on an exciting journey to local lakes, meadows and pastures, the African savannah and the thrilling rainforest. There are brilliant photos on every page, lots to discover and plenty of facts to learn. The booklet inspires with its insights into the diversity and uniqueness of nature: for reading, laughing and learning!
