

TIERISCH MENSCHLICH - DER PODCAST MIT HUNDEPROFI MARTIN RÜTTER UND KATHARINA ADICK

In the podcast »Tierisch Menschlich« dog pro Martin Rütter and science reporter Katharina Adick talk about their favorite topics: the relationship between humans and dogs, news from research and bizarre stories from life with pets. Listeners learn a lot about the dog pro himself and, of course, everything about Martin Rütter's beloved dog Emma.
