

#1 website about new technology

COMMENTCAMARCHE.net is a high-tech content and service site with a powerful community of 6.4M active members. The editorial staff regularly publishes buying guides and comparisons to help the general public navigate the technological world. In addition to High-Tech, COMMENTCAMARCHE.net covers legal and financial matters (droit et finances) and health care and medicine (sante-medecine). The site is also published in five other languages (English, Spanish, German, Portuguese and Italian).

The target audience includes highly educated professionals and managers interested in or working in the IT field aged 35 to 49.
