

## The largest multi-channel media brand for young women in The Netherlands

FLAIR is THE multimedia brand for young women, with a monthly reach (online + print) of 2.5 million. With surprising, personal, honest and daring content, FLAIR is the go-to place for young women who want to excel. Everywhere, 24/7: online on the website and social media, from feeds to stories and reels, in email inboxes, with a weekly magazine and its own live events.

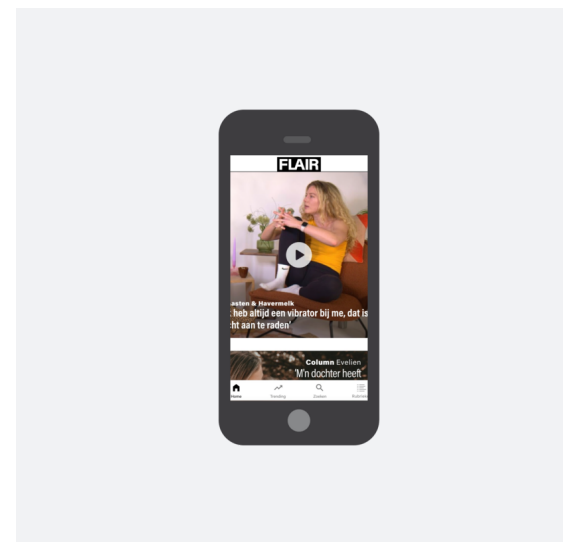

The readers are young women, digital natives between 25 and 45.
