Price Quotes

Rates per thousand copies started. Rates for special ad formats may increase if their processing causes problems. Weight-related postal fees charged by the German Post for booking the subscription circulation are included in these prices. Circulation

For technical reasons the booked circulations are subject to fluctuation. For this reason the quantity of special ad formats actually required must be determined when placing the order. Different versions in the same issue are only possible on request.

Technical Information and Delivery

On request, the special ad formats can be produced by the publisher. Prices on request.

The total prices also apply when booking the domestic circulation.
