Price Quotes	Rates per thousand copies started. Rates for special ad formats may increase if their processing causes problems. Special ad formats from more than one advertiser are possible following special agreement. Weight-related postal fees charged by the German Post for booking the subscription circulation are included in these prices. If the minimum booking quantity is not reached, the minimum booking quantity is used as the basis for calculating the price.
Circulation	For technical reasons the booked circulations are subject to fluctuation. For this reason the quantity of special ad formats actually required must be determined when placing the order. Different versions in the same issue are only possible on request.
Technical Information and Delivery	Binding technical information, deadlines, samples, as well as delivery can be downloaded from www.adspecial-portal.de . An inquiry regarding the circulation can also be placed through the portal. In the event of any processing difficulties, the completion of the circulation takes precedence over the special ad format.
Print Service	On request, the special ad formats can be produced by the publisher. Prices on request.
The total prices also apply when booking the domestic circulation.	
All rates are shown in euros; the rates are in effect from 1 January 2027 for bookings through RTL AdAlliance; value added tax will be charged on the net invoice amount if applicable.
