CRIME

STERN CRIME – the first True-Crime-Magazine

In an entertaining and gripping style, CRIME tells true crime stories of the past and of today. Narrative excellence coupled with high-class optics bring the stories behind the crimes to life. CRIME not only tells how the criminal cases came about and how they were solved but is also always interested in the fate of the victims and why someone became a perpetrator. The stories are presented using sensitive texts and restrained, but no less haunting visuals.

The readers are mainly well-educated women who like to spend their money on books, good food and travelling. They are fans of the "True Crime" genre.
