

An unpretentious home and lifestyle magazine

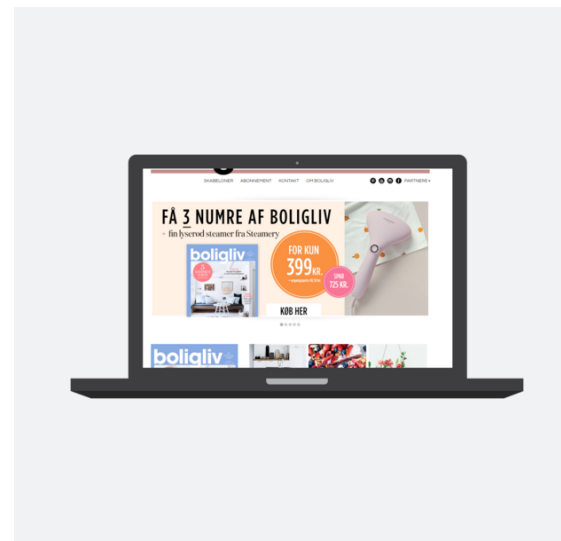

BOLIG LIV (HomeLife) is packed with inspiring home features, plenty of tips on interior design, delicious food recipes, fun do-it-yourself ideas and exciting suggestions for parties and activities for the whole family. The family is at the heart - whether it is about home, decorating/design, food, health or well-being. Most of the readers are women, who have a higher education, are willing to pay extra for quality products. In the digital world BOLIG is part of ALT.dk and inspires creative home enthusiasts and design-oriented families with young children.
