

The magazine for home, living and real estate

RESIDENCE is published quarterly in NZZ AM SONNTAG. The editorial focus is on high-quality real estate, exceptional architecture and topics around the art of living. It offers an attractive mix of specialist articles and service-oriented columns with news and trends on furniture, kitchen, bathroom, garden and gadgets.

Moreover real estate partners present high-quality objects for sale as well as for rent: exclusive flats and houses in Switzerland and abroad, to live in and to dream of. RESIDENCE addresses a solvent and discerning readership, i.e. buyers and tenants.
