

A new style magazine - the supplement to NRC Weekend

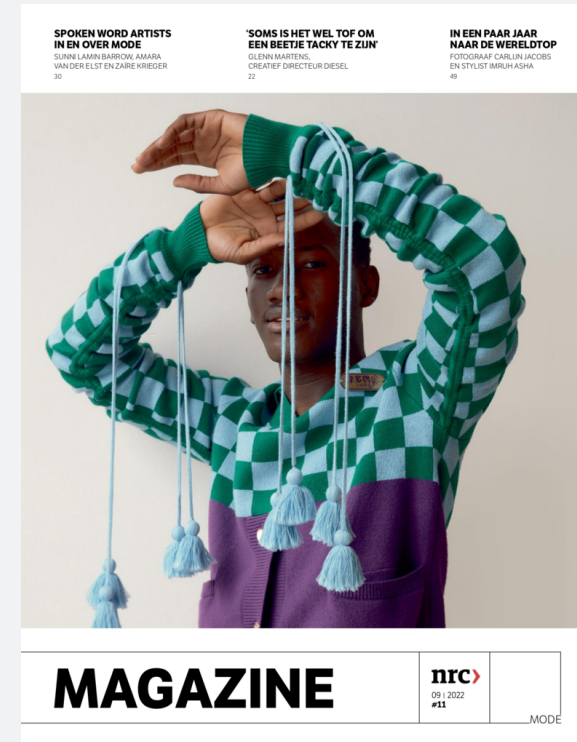

NRC MAGAZINE was first published in September 2021. It is an aesthetic, international magazine about art, culture, fashion, design, photography, architecture, literature, food & drink, beauty, cars, and etiquette.

Each issue is dedicated to a specific topic such as fashion, design, beauty, or travel.

NRC readers have a wide interest in society and culture, science, fashion, interiors, and travels. 48% of them are in the W1 socio-economic class and 64% have completed at least higher vocational education.
